DISCLAIMER OF LIABILITY

1. CONTENT OF THE ONLINE OFFER

The author assumes no liability for the topicality, correctness, completeness or quality of the information provided. Liability claims against the author relating to material or immaterial damage caused by the use or non-use of the information provided or by the use of incorrect or incomplete information are excluded, unless there is evidence of willful intent or gross negligence on the part of the author. All offers are subject to change and non-binding. The author expressly reserves the right to change, supplement or delete parts of the pages or the entire offer without prior notice or to discontinue publication temporarily or permanently.

2. REFERENCES AND LINKS

The author is not responsible for any contents linked or referred to from his pages - unless he has full knowledge of illegal contents and would be able to prevent the visitors of his site from viewing those pages. The author hereby expressly declares that at the time the links were created, no illegal content was recognizable on the linked pages. The author has no influence whatsoever on the current and future design, content or authorship of the linked pages. The author therefore expressly distances

himself from all contents of all linked pages that have been changed since the link was created. This statement applies to all links and references set within the author's own Internet offer as well as to third-party entries in guest books, discussion forums and mailing lists set up by the author. For illegal, incorrect or incomplete contents and in particular for damages arising from the use or non-use of such information, the provider of the page to which reference is made is solely liable, not the party who merely refers to the respective publication via links.

3. COPYRIGHT AND TRADEMARK LAW

The author endeavors to observe the copyrights of the graphics, sound documents, video sequences and texts used in all publications, to use graphics, sound documents, video sequences and texts created by himself or to make use of license-free graphics, sound documents, video sequences and texts. All brands and trademarks mentioned within the Internet offer and possibly protected by third parties are subject without restriction to the provisions of the applicable trademark law and the ownership rights of the respective registered owners. The mere fact that a trademark is mentioned shall not lead to the conclusion that it is not protected by the rights of third parties! The copyright for published objects created by the author himself remains solely with the author of the pages. Any duplication or use of objects such as diagrams, sounds or texts in other electronic or printed publications is not permitted without the author's agreement.

4. DATA PROTECTION

If the opportunity for the input of personal or business data (email addresses, name, addresses) is given, the input of these data takes place voluntarily. The use and payment of all offered services are permitted - if and so far, technically possible and reasonable - without specification of any personal data or under specification of anonymized data or an alias.

5. LEGAL VALIDITY OF THIS EXCLUSION OF LIABILITY

This disclaimer is to be regarded as part of the internet publication which you were referred from. If sections or individual terms of this statement are not legal or correct, the content or validity of the other parts remain uninfluenced by this fact. Note: For reasons of legibility, the male form was chosen in the text, nevertheless the information refers to members of both sexes.
